SITE PLAN APPROVAL APPLICATION

PROCEDURES

1. Pre-Development Conference. A pre-development conference with the Planning and Zoning Department is required prior to considering submitting a site plan approval application. The purpose of such a conference is to allow the petitioner to present his proposed development prior to the preparation of detailed plans required for submittal. The scheduling of a pre-development conference does not guarantee approval.
2. Submittal Meeting. Applications are due **BEFORE** the 8th of the month in order to be placed on the Planning and Zoning Commission agenda for the following month. This allows for the review of submitted materials by staff and the allowance for the petitioner to submit additional information, as needed, without delaying the process. The petitioner and/or his representative are required to schedule and personally attend the submittal meeting. Applications **WILL NOT** be accepted without scheduling a submittal meeting. Applications will also not be accepted if there is anything missing from the Attachment Checklist below. Missing information may postpone the hearing date of this application until the month after the following month. Staff shall review the application for completeness to make certain that the application meets the requirements of the Zoning Ordinance.
3. Public Meeting. The petitioner and/or his representative is **REQUIRED** to attend the Planning and Zoning Commission's public meeting whenever the proposed development is scheduled to be reviewed (the second Thursday of the month after the application is received, if received in complete form and prior to the 8th of the month). Meetings are held in the City Council Chambers, 100 N. Martin Luther King, Jr. Avenue, Waukegan, Illinois, at 7:00 PM.
4. Community Development Committee Meeting. The petitioner and/or his representative are **REQUIRED** to attend the Community Development Committee meeting. Meetings are held in the City Council Chambers, 100 N. Martin Luther King, Jr. Avenue, Waukegan, Illinois, on the first Monday of the month (and after the Planning and Zoning Commission public meeting). Aforesaid meeting can occur anytime between 5:00 PM and 7:00 PM.
5. City Council Meeting. If the Community Development Committee forwards a recommendation, this application will be considered by the full City Council on the third Monday of the month at 7:00 PM.
